Whereas the State of Florida proposes to celebrate the four hundredth anniversary of the permanent colonization of La Florida, the lands of which now, constitute an important part of the continental United States; and

Whereas said period of colonization commenced on August 14, 1559, with the establishment of a colony at Pensacola, Florida, by Don Tristan De Luna, pursuant to the direct orders of the Spanish King, but such colony was later abandoned; and

Whereas thereafter a French settlement was made in 1564 on the Saint Johns River near Jacksonville, Florida, at which point Fort Caroline was constructed and was occupied until it was conquered and resettled by a Spanish force under Menendez; and

Whereas the above period of colonization came to a close in September 1565 with the establishment at Saint Augustine, Florida, of the oldest permanent and continuous settlement in the continental United States; and

Whereas other events occurring at approximately the same time were events of national and international significance, and were matters of great historical importance in the colonizing of the United States which should be commemorated; and

Whereas a celebration of the character planned by the State of Florida will contribute greatly to the educational and cultural welfare of the people of the United States and will preserve the traditions of such period to posterity: Now, therefore, be it

Resolved by the House of Representatives (the Senate concurring), That the Congress of the United States join the people of Florida in commemorating the quadricentennial anniversary of the first permanent colonization by Europeans of any area now constituting a part of the continental United States, which will commence in the year of 1959 at Pensacola, Florida, and end in the year of 1965 at Saint Augustine, Florida, with celebrations being held in the intervening years at Jacksonville, Florida, and other cities of the State.
